

Mole Valley Quilters

I was sad to miss last month's meeting! Sounds like you all had a great time with Emma and Val from 'Creative Quilting', discussing needles rulers and *Thangles* (I really need to find out what they are!) and I expect some fabric was added to your stashes.

Next Meeting - Thursday 3 October - Christmas Sale preparation

As you know MVQ are having a stall at a Christmas Market on 30th November so we need lots of gorgeous things to sell and showcase what our club can achieve.

On Thursday there will be three stations for members to help with production:

1. Creating Flower Rings - Instruction by Penny Anslow.

These are made very easily by wrapping yarn around a metal wreath base. Please bring chunky/fluffy yarn, lace or ribbon and scissors. The wreath bases will be provided.

Penny will use them to make Christmas arrangements eg Holly/ivy etc for sale.

2. Cutting out bunting and lettering - led by Marie Louise

Please bring : sharp scissors, large and small
Fabrics - Christmas, Party colours, Baby fabric

3. Cutting out denim and lining for small shoulder bags - led by Katherine

Please bring: Sharp scissors
pencil/fabric marker
Non stretchy denim pieces, some will be provided so don't worry if you don't have any.
